Dear Mrs Field,

We have been advised that you have sold the property which has a water discharge permit and would therefore like to surrender permit.

Please can you complete **Part A** and **Part E1** and return them in the pre-paid envelope provided. Once received we should then be able to begin the surrender application process.

We understand that you would like a permit at your new property. We are not able to transfer the permit as it is site specific but you can apply for a new permit for that site. Please call the number below if you should wish to do so and we can offer you advice on how to do so.

Yours sincerely

Tim O'Hara
