Thank you for consulting Cardiff and Vale Environment Team on the above project and sending us a copy of the draft Form 1 HRA report dated 17-4-20. Our comments are as follows:

*I confirm that the HRA report has been drafted with input from the Environment Team and relevant advisors.*

*I also concur with the conclusion of the HRA that there is no likely significant effect from the proposal on the Severn Estuary Special Area of Conservation (SAC), Special Protection Area (SPA) and Ramsar Site.*
