- breach any requirements relating to cross compliance including [The Nitrate Pollution Prevention \(Wales\) Regulations 2013](#) (NVZ rules)
- breach any requirements relating to [The Environmental Impact Assessment \(Agriculture\) \(Wales\) Regulations 2017](#)
- breach any other directly applicable legislation.

If you fail to comply with these requirements you may be committing an offence and enforcement action may be taken against you. Failure to meet any of these Cross Compliance standards could result in a financial penalty being imposed by Welsh Government on the Direct Payments for the land deployed upon. This will include the Basic Payment Scheme (BPS); and Welsh Government Rural Communities - Rural Development area based schemes.

Please ensure where relevant the farmer/landowner is given a copy of the spreading records for inclusion in the farm records e.g. Glastir Activity diary or NVZ records both of which are a legal requirement.

If the UK leaves the EU - either with or without a deal - the legal obligations relating to compliance with environmental permits and legislation will continue to apply. NRW will continue to issue and regulate all permits and licenses in line with our current practice.
