**Our ref: PAN-006945**

**Date: 19 February 2020**

Dear Ms. Cleverly,

**We need more information about your application**

**Application reference: PAN-006945**  
**Operator: Cambrian Pet Foods Limited**  
**Facility: Cambrian Pet Foods Llangadog**

Thank you for your application received on 11<sup>th</sup> September 2019.

I need to ask you for some more information before I can do any more work on it. Please would you

- Please provide the 'Management of Trade Effluent Discharges' (Ref: LG-WI-ENV09), which covers monitoring of wastewater, cleaning, housekeeping, chemical usage, training and awareness, and the disposal of sludge'.
- You have not identified Derwn-Fach, Afon Tywi and Chwarel Talar SSSIs in your air dispersion modelling. Please re-submit the modelling with the effects from the boilers at the installation.
- Not all emission points have been clearly labelled on the site plan e.g. W1 – clean surface water discharge has not been labelled on the site plan to emissions plan. Please amend site plan to label all emission points as listed in the point source emissions document.
- Please submit a full drainage plan of the installation.
- An incorrect application fee has been paid for the MCP. Before your application was submitted the fee had gone up to £8894 for MCP. I can see you have paid a total of £18,728 in your previous application and we have held onto this. Please can you pay the remaining fee of £7264.

Correspondence welcomed in Welsh and English

- Please can you also confirm the following about the MCP boilers you have proposed for the installation:
  - What is the purpose of the boilers on site (e.g. generate electricity)
  - The total hours each boiler will be running for and complete Form B3 Appendix 8 (Part 7);
  - The total thermal input of the two boilers. You have stated previously that this was 20.2 now 19.2. Can you clarify the maximum boiler thermal input.
- The site already has a Sewage and Trade Permit (BG0002801). Do you wish to consolidate this permit into this application.
- Please can you confirm the point on where the discharge point will be located.

If you need advice about how to complete the form, or work out what your fee is, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-006945 on any correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please phone me on 03000 653385 or email [Lewis.Evans@naturalresourceswales.gov.uk](mailto:Lewis.Evans@naturalresourceswales.gov.uk).

Yours sincerely

Lewis Evans  
Permitting Officer
