We would like to re-submit our application for a sheep dip waste disposal license.

We have been aided by Mr Julian Whitehead, CNC / NRW Buckley Office, to complete the forms. You have copies of the original previously submitted.

We are submitting Form B2 and resubmitting a modified Form B7.

Much of the content of the forms is irrelevant to our application, to dispose of dip, and we trust that we have included the relevant information this time.

Since you have a historic authorization [GWN 3146] on land on the Tyn y Celyn holding [Dedwyddfa, Llangynhafal, LL15 1RT -SJ1362 3004], which has already been split into two designated areas, for disposing the dip, it was suggested that we should change the disposal location to this site, which hopefully will aide the process to authorize a new agreement.

We have attached the copy [ANNEX 2 PLAN GWN3146] which shows the field plan together with natural water supply locations.

Yours faithfully

Bryan Jones [Tyn y Celyn]

Hoffem ail gyflwyno ein cais am drwydded gwaredu wast dip defaid.

Rydym wedi cael cefnogaeth Julian Whitehead, Swyddfa CNC/NRW Bwcle i geisio cwblhau y ffurflenni. Mae'r ffurflenni gwreiddiol gennych.

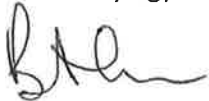

Rydym yn cyflwyno ffurflen B2 ac yn ail gyflwyno ffurflen B7 wedi ei addasu.

Mae llawer o gynnwys y ffurflenni yn amherthnasol i'n gais i waredu dip, a hyderwn ein bod wedi cynnwys y wybodaeth perthnasol y tro hyn.

Gan bod gennych awdurdodiad hanesyddol [GWN 3146] ar ddarn o dir ar daliad Tyn y Celyn, [Dedwyddfa, Llangynhafal, LL15 1RT -SJ1362 3004], a hwnnw wedi ei rannu'n ddau rhan yn barod, awgrymwyd y ddylem newid y lleoliad gwaredu i'r safle hwn, a byddai hyn yn hwyluso'r gwaith i chi awdurdodi cytundeb newydd.

Rwyn atodi'r copi [ANNEX 2 PLAN GWN3146] sy'n dangos y cynllun ynghyd a lleoliadau cyflenwadau dŵr naturiol.

Yr eiddoch yn gywir

Bryan Jones [Tyn y Celyn]
