## Cais am drwydded amgylcheddol / Application for an environmental permit

16/8/18

Hoffem gofrestru ar y cyd i allu gwaredu sbarion dŵr dipio defaid.

Rydym wedi cysylltu â swyddog o'r Asiantaeth Amgylchedd Cymru, ac ar ddeall bod posib cofrestru ar y cyd.

Yn y gorffennol roedd, gan y ddwy fferm drwyddedau ar wahan, ac oherwydd dulliau eraill o reoli claf bu i ni ddod ar trefniadau i ben - serch hynny gyda'r cynnydd yn ddiweddar gyda'r problem o reoli'r claf rydym am ddechrau dipio'r defaid ac felly angen ail gofrestru.

Mae gan Bryn Rhedyn, Llanbedr DC, ddiadell oddeutu 800 o ddefaid + ŵyn a Tyn y Celyn, Llangynhafal, oddeutu 200 o ddefaid + ŵyn, ac rydym yn bwriadu trochi'r defaid ddwywaith y flwyddyn - adeg cneifio (Gorffennaf) ac yn yr Hydref.

Mae gennym cyfleusterau ar wahan ar gyfer trochi.

Amgaewn:

- Gwybodaeth unigol am ein daliadau.
- Mapiau o diroedd addas i waredu'r gwastraff
- Taliadau o £390 i gofrestru ein cais.

*We wish to register an application in order to dispose of sheep dip.*

*We have spoken to an EAW officer who has confirmed that it is possible to make a joint application.*

*In the past both farm holdings held approved licences to dispose of the waste on their land - however due to other means of controlling scab we terminated our licences. With the present situation regarding scab we wish to return to the use of sheep-dip and therefore need to re-apply for a licence.*

*Bryn Rhedyn, Llanbedr DC, run a flock of about 800 ewes + lambs and Tyn y Celyn, Llangynhafal, run 200 ewes + lambs, with the intention of dipping twice annually - shearing time (July) and in the autumn.*

*We have our own dipping facilities.*

*We attach:*

- *Individual information on both holdings.*
- *Maps of fields suitable for disposing of the dip waste.*
- *A payment of £390 to register our application.*

T L Parry, Brynrhedyn, Llanbedr DC (56 067 0012)

B A Jones, Tyn y Celyn, Llangynhafal (56 073 0018)
