Dear Mr. Raasch,

We need more information about your application

Application reference: PAN-010775

Operator: Hendre Poultry Ltd

Facility: Hendre Poultry Unit, Hendre, Felindre, Knighton, Powys, LD7 1YT

Thank you for your application received on 22nd June 2020. Unfortunately the application cannot be duly made at present (an application is considered duly made when we have determined that it contains all the information needed to begin the determination of the application, and when the application fee has been paid). The reasons for this are:

- Application form F has not been completed. This includes the declaration, which has been left blank. Please complete application form F and make sure a relevant person completes the declaration and send it back to us. Relevant people means each applicant, and in the case of a company, a director, manager, company secretary or any similar officer or employee. In the case of a Limited Liability Partnership (LLP), it includes any partner.
- We cannot locate payment for the application due to charge details on application form F not being completed. Please complete application form F and pay the relevant fee if this has not yet been done. Fees for IF applications can be found on page 24 of our Charging Scheme: <https://cdn.naturalresources.wales/media/691711/environmental-permitting-charging-scheme-2020-21.pdf>
- Please expand on your non-technical summary to clarify the following:
 - 1) Number of biomass boilers and CHP units proposed, the net rated thermal input of each, and the aggregate net rated thermal input for the site.
 - 2) Whether the fuel to be used is derived from virgin timber.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee (if one paid).
