Subject: Holyhead Port Expansion Signposting Document

The table below identifies where the information supersedes or supplements the information presented in the Holyhead Port Expansion ES.

ES Addendum Chapter	ES Addendum Section	ES Addendum Sub-section	Comment
2. Policy and Jurisdiction Corrections	N/A	N/A	This chapter supersedes policy and jurisdiction information provided in <i>Marine Mammals (Chapter 12, Paragraph 12.2.1, pg. 216 of the ES)</i> , <i>Noise and Vibration (Chapter 17 Paragraph 17.2.2, pg. 349 and 350 of the ES)</i> and <i>Air Quality (Chapter 18, Paragraph 18.2.2, pg. 396 of the ES)</i> .
3. Changes to the proposed scheme to that presented in the ES	3.2 Changes to the proposed scheme	3.2.1 Dredge and disposal requirements	Section 3.2.1, pg. 5, Table 3.1 of the ES Addendum supersedes disposal volume numbers presented in <i>Chapter 3, Section 3.2.5, pg. 32, Table 3.3 of the ES</i> . This section also supersedes the anticipated dredging programme originally stated in <i>Chapter 3, Section 3.2.4, Paragraph 1, pg. 28</i> .
		3.2.2 Reclamation activities	<i>Supersedes volume of dredged material that was to be used in the reclamations.</i>
		3.2.3 Sediment Plume Dispersion Model	Updated sediment plume dispersion modelling supersedes information presented in <i>Section 8.4.2</i> and <i>Chapter 3 of Appendix C3 of the ES</i> .
		3.2.4 Dredging equipment	
		3.2.5 Dredging parameters of the TSHD	
		3.2.6 Dredging parameters of the BHD	Supersedes the anticipated dredging programme stated in <i>Chapter 3, Section 3.2.4, Paragraph 1 pg. 28</i> .
		3.2.7 Dredging programme	

ES Addendum Chapter	ES Addendum Section	ES Addendum Sub-section	Comment
		3.2.8 CIA, WFD, HRA	No changes to the conclusions of the ES.
		3.2.9 Disposal Options Study	Further information to support Appendix B of the ES.
	3.3 Implications on assessments presented in the ES.	3.3.1 Coastal Processes	Section 3.3.1.1, pgs. 10-12 supersedes <i>Chapter 8, Section 8.7.1, pgs. 141-145.</i> Section 3.3.1.2, pgs. 12-14 supersedes <i>Chapter 8, Section 8.7.2, pgs. 145-147.</i>
		3.3.2 Marine and Sediment Water Quality	Section 3.3.2.1, pgs. 14-17 supersedes <i>Chapter 9, Section 9.6.1, pgs. 171-175</i> Section 3.3.2.2, pgs. 17-19 supersedes <i>Chapter 9, Section 9.6.2, pg. 175.</i>
		3.3.3 Marine and Coastal Ecology	Section 3.3.3.1, pg. 19 supersedes the conclusions set out in <i>Chapter 10, Section 10.6.3, pgs. 188-189.</i> Section 3.3.3.2, pgs. 19-20 supersedes the conclusions set out in <i>Chapter 10, Section 10.6.5, pgs. 189-190.</i>
		3.3.4 Fish and Shellfish Resource	Section 3.3.4.1, pg.23 supersedes the conclusions presented in <i>Chapter 11, Section 11.6.2, pgs. 205-206.</i> Section 3.3.4.2, pg. 23 supersedes the conclusions presented in <i>Chapter 11, Section 11.6.3, pgs. 206-207.</i> Section 3.3.4.3, pg. 23 supersedes the conclusions presented in <i>Chapter 11, Section 11.6.6, pgs. 208-209.</i>
		3.3.5 Marine Mammals	Section 3.3.5.1, pg. 23 supersedes the conclusions made in <i>Chapter 12, Section 12.6.5, pgs. 255-257.</i> Section 3.3.5.2, pg. 24 supersedes the conclusions made in <i>Chapter 12, Section 12.6., pgs. 258-259.</i> Section 3.3.5.3, pg. 24 supersedes the conclusions made in <i>Chapter 12, Section 12.6.8, pgs. 259-262.</i>
		3.3.6 Commercial Fisheries	Section 3.3.6.1 supersedes the conclusions made in <i>Section 13.6.3 pg. 276.</i> Section 3.3.6.2 supersedes the conclusions made in <i>Section 13.6.1 pg. 275.</i>
		3.3.7 Commercial and Recreational Navigation	Section 3.3.7 supersedes <i>Section 15.6.1 pg. 314.</i>

ES Addendum Chapter	ES Addendum Section	ES Addendum Sub-section	Comment
4. Responses to Stakeholder Comments	4.2	Coastal Processes	This chapter supplements or supersedes information presented in the ES (as stated within the ES Addendum) in response to stakeholder comments received.
	4.3	Marine and Sediment Water Quality	
	4.4	Marine and Coastal Ecology	
	4.5	Fish and Shellfish Resource	
	4.6	Marine Mammals	
	4.7	Commercial Fisheries	
	4.8	Ornithology	
	4.9	Commercial and Recreational Navigation	
	4.10	Archaeological and Cultural Heritage	
	4.11	Visual Setting	
	4.12	Coastal Defence and Flood Risk	
	4.13	Cumulative Impact Assessment	
	4.14	Water Framework Directive Compliance Assessment	
	4.15	Shadow Habitats Regulations Assessment
