Dear Chris Fayers,

**SC2005: Screening Opinion Request for HPC disposal licence**

With reference to your letter received 02 October 2020 requesting the withdrawal of the screening opinion request submitted to NRW in relation to Hinkely marine disposal licence on the 05 August 2020, this letter confirms that this request (SC2005) is now considered withdrawn.

We also acknowledge that NNB Generation Company (HPC) is willing to proceed with a disposal marine licence application through the EIA process under the Marine Works (Environmental Impact Assessment) Regulations 2007 (as amended).

Yours faithfully,

Marine Licensing Team
