Dear Mr Lombardi,

**Environmental Permitting (England and Wales) Regulations 2016 SI1054, as amended,
Schedule 5 Regulation 3(1),
Operational Water Discharge Activity Environmental Permit Application - PAN-002427**

Following Hitachi Limited's recent decision to suspend the Wylfa Newydd Project, Horizon Nuclear Power (Wylfa) Limited is formally withdrawing its application to carry out an Operational Water Discharge Activity, reference PAN-002427.

Thank you for the ongoing engagement and support as well as the extensive pre-application advice given by you and many of your colleagues in Natural Resources Wales.

If you require any further information, then please do not hesitate to contact me. I look forward to receiving confirmation of the withdrawn application at your convenience.

Yours sincerely
