Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The variation is a minor technical variation for the add the waste code European Waste Code 10 01 03 to Permitted Waste Type table, to allow the operator to accept fly ash from untreated wood.

The variation also corrects an error reference to waste code 16 05 04 in the previous variation

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
