Dear Sirs

Transfer of Permit EPR-AB3592FU From James Keith to William N Vaughan – Related to 11 Deeside Crescent. Sealand Road, Chester CH1 6BY

My wife Joan and I moved from Deeside Crescent on 23<sup>rd</sup> November 2018 and have been attempting to complete the attached forms and request the remaining owners to give their agreement to the transfer.

Having moved 30 miles further into North Wales has made the task of getting the signatures quite difficult and taken many visits back to try and catch people at home. However, we now have ten signatures but getting the remaining two will be very difficult. Number 8 owner now lives in the USA and the house is rented. The Ellams have gone their separate ways and we have been unsuccessful in locating any new addresses.

For your information I enclose copies of the correspondence that has taken place on the matter and hope this might be of some help to explain the long delay in us submitting the forms. Joan spoke to Tom in your department on the telephone recently and he advised us to submit the forms with what information was available and because this was a transfer the facts will be available within the file for the Permit.

If you require any further information from us please contact us again

Yours faithfully,

James J Keith
