Dear Mr. Naylor,

Your permit surrender is complete

Permit reference: EPR/CP3333BQ

Operator: Tata Steel UK Limited

Facility: Orb Electrical Steels, PO Box 30, Stephenson Street, NP19 0RB

I'm pleased to confirm that our determination of your application to surrender your permit is complete. We're satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility, and to return the site of the regulated facility to a satisfactory state, having regard to the state of the site before the facility was put into operation. We therefore accept the surrender. The surrender takes effect from the date of this letter.

If you're entitled to a refund of previously paid subsistence fees our Finance department will arrange this.

If you want to carry out any activities that need an environmental permit you must apply for a new one. If you have any questions about permitting please phone our Customer Services Centre on 0300 065 3000. They will put you in touch with a local area officer.

Yours sincerely,

Llinos Owen
Senior Officer (Installations and RSR Permitting)
