Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The permit is transferred in full from Siemens Energy Limited to Severn Power Limited. The transfer will take effect from 26th February 2021 and as of this date Siemens Energy Limited will no longer be contracted by Severn Power Limited to operate and maintain the installation. There is a change in management due to the transfer, Severn Power Limited will manage the site in accordance with an Environment Management System externally accredited to ISO14001 standard. Severn Power Limited will ensure all Best Available Techniques (BAT) requirements of the Large Combustion Plant BRef are achieved as per the existing installation permit conditions.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
