Thank you for your notifications of transfer. I confirm that the transfer of the environmental permits (listed in the table above), from Welsh Assembly Government to Dŵr Cymru Cyfyngedig, will take effect from 01/08/2019.

I enclose transfer notices which show the legal details of the transfers. Please keep these in a safe place with your environmental permits. The permits should have been passed to you by the previous operator during the handover of the assets. If you don't have a copy of the permits, please use our preferred method of request, by emailing datadistribution@naturalresourceswales.gov.uk to obtain a copy.

You will need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permits. You can find this on our website at <http://naturalresources.wales/media/2124/how-to-comply-with-your-environmental-permit-additional-guidance-for-water-discharge-and-groundwater-from-point-source.pdf>

If you wish to keep your records at a site other than that of the facility, you will need to tell your local area officer within 20 working days of receiving this letter. If you do not hear back from them within a further 20 working days, please take this to mean we have agreed your record keeping location.
