Date: 15th December 2020

Dear Mr Wallace,

With regards to the recent application for a Minor Technical Variation for the storage and drumming off of aqueous ammonia solution by TS Resins Ltd, Synthite Ltd confirm the following contractual arrangements:

- As a Director of Synthite Ltd, I confirm that Jayme Mountford (Technical Manager) is authorised to sign the letter of the 8th December (enclosed with this submission) on behalf of the company.
- As a Director of Synthite Ltd, I confirm that permission has been given to TS Resins Ltd to export emissions from the aqueous ammonia solution storage plant to Synthite Ltd.
- As a Director of Synthite Ltd, I confirm that Synthite Ltd accept the emissions from the aqueous ammonia solution storage plant.
- As a Director of Synthite Ltd, I confirm that any emission received by Synthite Ltd from the aqueous ammonia solution storage plant will be treated prior to release to the environment within the requirements of our EPR permit (BU2349) and following best practice.

This letter will be appended to all copies of both permits.

Yours sincerely,

Keith Polden
Operations Manager,
Director, Synthite Ltd
