Good Morning Kim,

For the permit to discharge we need your permission:

Are you signing the form on behalf of a relevant person? If you are not a relevant person, but want to sign the application on their behalf, you must include confirmation that you can do this.

- I have included written confirmation from a relevant person to confirm I can sign on their behalf.

Please can you respond via email confirmation that we can sign on your behalf so we can include this with the application.

Kind Regards,
Dani
