Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The permit is transferred in full from Viridis 178 Limited to Conrad (Alcoa) Limited. There is no change in the management of the facility, all existing management systems and personnel operating the site remain as is.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
