Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator initiated administrative variation to remove the following hazardous waste codes from the permit:

- 13 02 04* mineral-based chlorinated engine, gear and lubricating oils
- 16 06 01* lead batteries
- 17 06 01* insulation materials containing asbestos

Tables 2.1 and 2.2 have been amended following the removal of the waste codes from the permit.

No other changes have been made to the permit.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
