To Whom It May Concern,

I am the veterinary surgeon for Messrs IC, NC & D Mossman of Mossman Farming Ltd,
Nantybach, Llangrannog, Ceredigion, SA44 6RN.

I am writing to confirm that there were 420 adult dairy cattle on the holding (55/255/0030) in
2016 before the Animal & Plant Health Agency (APHA) enforced culling due to bovine
tuberculosis.

Yours faithfully,

Tysul Vets
