The report has been prepared for the exclusive use and benefit of our client and solely for the purpose for which it is provided. Unless otherwise agreed in writing by RPS Group Plc, any of its subsidiaries, or a related entity (collectively 'RPS') no part of this report should be reproduced, distributed or communicated to any third party. RPS does not accept any liability if this report is used for an alternative purpose from which it is intended, nor to any third party in respect of this report. The report does not account for any changes relating to the subject matter of the report, or any legislative or regulatory changes that have occurred since the report was produced and that may affect the report.

The report has been prepared using the information provided to RPS by its client, or others on behalf of its client. To the fullest extent permitted by law, RPS shall not be liable for any loss or damage suffered by the client arising from fraud, misrepresentation, withholding of information material relevant to the report or required by RPS, or other default relating to such information, whether on the client's part or that of the other information sources, unless such fraud, misrepresentation, withholding or such other default is evident to RPS without further enquiry. It is expressly stated that no independent verification of any documents or information supplied by the client or others on behalf of the client has been made. The report shall be used for general information only.

GLOSSARY

Glossary		
	Meaning	Abbreviation
Articulated Wind Column		AWC
Assessment of the Significance of the Impact of the Development on the Historic Landscape		ASIDOHL
Business Register and Employment Survey		BRES
Code of Construction Practice		CoCP
Cumulative Impact Assessment		CIA
Draft National Development Framework		NDF
Environmental Impact Assessment		EIA
Economic Regeneration Strategy		ERS
Environmental Statement		ES
Full Business Case		FBC
Full Time Equivalent		FTE
Future Wales: Then National Plan	NDF renamed and updated	
Great Britain		GB
Gross Value Added	Gross Value Added (GVA) is the measure of the value of goods and services produced in an area, industry or sector of an economy	GVA
Homes and Communities Agency		HCA
Hardisty Jones Associates		HJA
Headquarters		HQ
Local Development Plan		LDP
Location Quotient	Location quotient (LQ) is a way of quantifying how concentrated a particular sector is in a specific area as compared to the national average. An LQ above 1 indicates an above average concentration, whilst an LQ below 1 indicates a below average concentration	LQ
Marine Energy Test Area		META
Marine Energy Wales		MEW
Milford Haven	The town of Milford Haven	
Milford Haven Port Authority	Milford Haven Port Authority is the statutory harbour authority for the Port of Milford Haven. It is a Trust Port and operates on a commercial basis, charging port fees for providing conservancy and pilotage services to the vessels delivering or collecting products at the principal terminals located on the Milford Haven Waterway. It also owns and operates a property portfolio at Milford Marina and Fish Docks and port facilities at Pembroke Dock.	MHPA
Milford Haven Waterway	The estuary of Milford Haven	MHW
Office for National Statistics		ONS
Outline Code of Construction Practice		OCCoCP
Pembrokeshire County Council		PCC

REPORT

Pembrokeshire Demonstration Zone		PDZ
Pembroke Dock	The town of Pembroke Dock	
Pembroke Dock Infrastructure	The proposed development at The Dockyard/Pembroke Port the majority of which is within the Application Site	PDI
Pembroke Dock Marine	A named project within the Swansea Bay City Deal made up of four sub-projects: Marine Energy Test Area; Marine Energy Engineering Centre of Excellence; Pembroke Dock Infrastructure; and Pembrokeshire Demonstration Zone	PDM
Pembrokeshire Economic Development Strategy Action Plan		PEDSAP
Pembroke Port	The port enterprise situated at the north western edge of Pembroke Dock, including the ferry terminal and all the non-property commercial activity within the dockyard on port owned land	
People, Places, Futures		PPF
Planning Policy Wales		PPW
Research and Development		R&D
Small and Medium size Enterprise		SME
Standard Occupational Classification	The standard occupational classification is a common classification of occupational information for the UK	SOC
Swansea Bay City Deal		SB CD
Swansea Bay City Region		SBCR
Technical Advice Note		TAN
The Dockyard	The area of Pembroke Port that is bounded, predominantly on three sides, by the dockyard walls	
The Application Site	The area of The Dockyard/Pembroke Port and shoreline within the planning application boundary	
United Kingdom		UK
Welsh Government		WG
Welsh National Marine Plan		WNMP

Volume 2: Appendices	
Appendix 1.1	EIA Regulation 17 and Schedule 4 Requirements
Appendix 1.2	Author Expertise Statement
Appendix 2.1	New Mega Slipway Report
Appendix 2.2	Dredging Strategy
Appendix 2.3	Marine Rock Dredging
Appendix 2.4	Graving Dock and Timber Infill Pond Report
Appendix 2.5	Technical Note: Materials Reuse
Appendix 2.6	Outline Code of Construction Practice
Appendix 3.1	Pembroke Dock Marine Full Business Case: Supplementary Information
Appendix 4.1	Scoping Report
Appendix 4.2	Pembrokeshire County Council Scoping Opinion
Appendix 4.3	Natural Resources Wales-Marine Licensing Team Scoping Opinion
Appendix 4.4	Cumulative Developments Information
Appendix 6.1	Marine Environment Baseline
Appendix 6.2	Underwater Noise Assessment
Appendix 6.3	Habitats Regulation Assessment
Appendix 6.4	Water Framework Directive
Appendix 6.5	Sediment Plume Modelling
Appendix 7.1	Navigational Risk Assessment

REPORT

Appendix 8.1	Planning Policy, Legislative Context and Consultation
Appendix 8.2	Operational Noise Model Input Data
Appendix 8.3	Predicted Noise Operational Levels
Appendix 8.4	Road Traffic Noise Calculations
Appendix 9.1	Operational Assessment
Appendix 9.2	Construction Dust Risk Assessment
Appendix 10.1	Desk Based Assessment
Appendix 10.2	Assessment of Significance of the Impact of the Development on Historic Landscape (ASIDOHL)
Appendix 10.3	Statement of Significance (Phases 1 to 5)
Appendix 11.1	Transport Assessment
Appendix 11.2	Transport Assessment Addendum
Appendix 11.3	Summary of Material Assumptions and HGV Calculations
Appendix 12.1	Socio-economic Legislative and Policy Context
Appendix 12.2	Economic Statement
Appendix 13.1	Desktop Study and Preliminary Risk Assessment
Appendix 13.2	Ground Investigation Report
Appendix 13.3	Phase 1 Ground Investigation Report
Appendix 14.1	Landscape and Visual Methodology
Appendix 14.2	Landscape and Visual Assessment
Appendix 15.1	Flood Consequences Assessment
Appendix 16.1	Preliminary Ecology Appraisal
Appendix 16.2	Reptile Survey Report
Appendix 16.3	Preliminary Bat Roost Assessment
Appendix 16.4	Bat Survey Report
Appendix 16.5	Bat Hibernation and Winter Transect Surveys
Appendix 16.6	Badger Sett Monitoring Report
Appendix 16.7	Botanical Survey
