Ty'n Y Coed

Permit number EPR/AB3494FG

Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This is an operator indicated administrative variation of a tier 3 bespoke permit for a for a non-hazardous waste transfer station with treatment to add a single waste code to the permitted wastes- 19 08 02 waste from desanding.

No other changes have been made.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
