Dear Sir / Madam,

Your permit variation is complete

Permit reference: EPR/JP3894FM

Operator: Thornccliffe Building Supplies Ltd

Facility: The Windmill Site, Rhuddlan Road, Abergele, LL22 9SE

Our determination of your application to vary your permit is complete. We're satisfied that you can continue to carry out your activities in accordance with the variation, without harm to the environment or human health. I enclose a notice showing the changes to your permit. Please keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these, phone our Customer Services Centre for help.

As your permit has been varied to remove the Schedule 1 listed activity, we also enclose a copy of your new Opra Spreadsheet which reflects the remaining waste activities permitted on site. Your new Opra score will be used to calculate fees relating to your site in the future. If you have any queries regarding this spreadsheet, please discuss this with your site officer. Please note that this does not change the permit number overall, which remains as EPR/JP3894FM.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this at <http://naturalresources.wales/media/2110/how-to-comply-with-your-environmental-permit.pdf>
