

The Company Secretary,
Browns Waste Management And Recycling
Limited,
Bynea Business House,
Heol Y Bwlch,
Bynea,
Llanelli,
SA14 9SU

Our ref: PAN-013124
Your ref: EPR/XB3893HN/T02

Date: 12/04/2021

Dear Company Secretary,

Transfer of permit is complete

Permit reference: EPR/XB3893HN

Waste returns reference: EPR/XB3893HN

Operator: Browns Waste Management And Recycling Limited

Facility: Taybrite Works, Heol Y Bwlch, Bynea, Llanelli, Carmarthenshire, SA14 9ST

Our determination of your application for a full transfer is complete. We're satisfied that you will be the person who will operate the facility and you will comply with the requirements of the permit.

The transfer takes effect from 12/04/2021.

I enclose a notice showing the transfer details and your permit conditions. Keep this in a safe place with your other permit records.

This letter contains web links to other documents. If you aren't able to access these phone our Customer Services Centre for help.

The environmental permit should have been passed to you during the handover of the property or business. If you do not have a copy of the permit you must contact a local officer. Telephone our Customer Services Centre on 0300 065 3000 and they will put you in touch with an area officer.

You will also need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on our web page at:

<http://naturalresources.wales/media/2110/how-to-comply-with-your-environmental-permit.pdf>

Please look at the table below and note any of the things that apply to your permit.

Correspondence welcomed in Welsh and English

If...	then...
you plan to keep your records at a site other than where the activity takes place	you need to let us know within 20 working days of receiving this letter.
your permit includes pre-operational or improvement conditions	check the deadlines for completing measures and make sure you carry them out by the times stated
your permit requires you to operate in accordance with an odour management plan or a fire prevention and mitigation plan	<p>this should already be in place for your site, and be supplied upon request.</p> <p>The odour management plan guidance can be found on our website: https://naturalresources.wales/permits-and-permissions/environmental-permits/horizontal-guidance/?lang=en</p> <p>The fire prevention and mitigation plan guidance can be found on our website: https://naturalresources.wales/permits-and-permissions/environmental-permits/guidance-to-help-you-comply-with-your-environmental-permit/?lang=en</p>
you are carrying out a waste operation or activity and need to submit quarterly waste returns on waste movements	<p>Please request the latest version of our waste return template from waste.returns@cyfoethnaturiolcymru.gov.uk prior to completing your first return.</p> <p>Information on deadlines and guidance to assist with completing waste returns is available on our website: https://naturalresources.wales/waste/new-wales-operator-waste-return-and-deadlines-for-returns/?lang=en</p> <p>When you complete your return use the waste returns reference above and submit to: waste.returns@cyfoethnaturiolcymru.gov.uk</p>
you need to submit other returns	send these to your area office. Speak to your area officer to check local arrangements.

There is an annual subsistence charge for your permit unless your permit is only for mobile plant, where instead we will charge for each deployment.

The annual charge is due on demand in the year that we issue the permit and then on 1 April each year. If you need to know more about the subsistence charge please look at the charging guidance on our website at: <http://naturalresources.wales/about-us/what-we-do/how-we-regulate-you/our-charges/?lang=en>

Following the UK's departure from the EU on 31 January 2020 and the end of the transition period on 31 December 2020, the legal obligations relating to compliance with environmental permits and legislation will continue to apply. NRW will continue to issue and regulate all permits and licences in line with our current practice. If you have any questions about your permits or licences and/or site management, please contact our Customer Care Centre on 03000 653 000.

Any work undertaken should take account of biosecurity risks, and mitigation measures should be put in place. The most important measure is to ensure that all equipment (plant, tools, footwear etc) that come to site, arrive clean, and are cleaned again before leaving site. This applies to all sites, not just those where an invasive non-native species (INNS), pest or disease has been previously identified. Information on how to assess biosecurity risks; simple steps to reduce risks; and specific measures for higher risk activities can be found on the [GBNNS website](#) for INNS, or for tree health on [our website](#). If you need any further help, please feel free to contact our [INNS and Biosecurity](#) team or our [Tree Health](#) team.

Yours sincerely,
Sion Sleep
Waste Permitting Officer
