

### 3b Technical Ability – relevant waste operations only

Relevant, formal qualifications held to manage the facility, (Clays Site waste activities) under the existing permit EPR/XP3691EG are not affected by the proposed changes to the permit as part of this variation to bespoke permit application.

The original and continuing competence certificates are only included in this document below to demonstrate up to date technical ability of the operator.

A summary of original and continuing competence certificates in is detailed in Table 3b below.

<b>Table 3b - Qualifications held to manage the facility, (Clays Site waste activities)</b>
