LICENCE TO CONDUCT GROUND INVESTIGATION WORKS VIA THREE TRIAL HOLES AND THE INSTALLATION OF WEIGHTS TO OUTFALL PIPE

LICENCE NUMBER: RML2006v1

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated 12 June 2020 requesting a variation to a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **RML2006v1** and its conditions. Please note that Marine Licence RML2006v1 supersedes Marine Licence RML2006 in its entirety

Advisory Note

Marine Licence, **RML2006v1**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **RML2006v1** carefully, in particular the need to advise our Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **RML2006v1** is solely granted for the work to be undertaken at **Llangrannog beach**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
