NOTICE OF ENTRY TO ENTER LAND FOR THE PURPOSES OF NRW'S POLLUTION CONTROL FUNCTIONS

To: **Mr M. J. Jones
Dolebolion
Ponrhydfendigaid
Ystrad Meurig
SY25 6BJ**

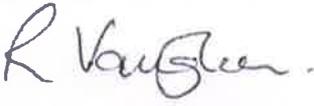

Sections 108(1)(b) & (c) and 108(4)(a),(b),(c), (e) & (f) of the Environment Act 1995 grant **Natural Resources Wales** the power to enter third party land for the purposes of exercising its pollution control functions under Part IIA of the Environmental Protection Act 1990. In accordance with these powers, **Natural Resources Wales** wants to enter upon land at Dolebolion (Title Numbers CYM74574 and CYM292850) as shown edged red on the attached plan **on or after Tuesday 6 April 2021** in order to carry out and construct anti-pollution works consisting of:

- i] new site outfall into the River Teifi;
- ii] mine water (adit) capture works;
- iii] facilitating works (site compound, access, supervision, pumping, site clearance); and
- iv] carrying out investigations, surveys, taking measurements and photographs to implement its pollution control functions.

Except in an emergency, where **Natural Resources Wales** proposes to enter any residential premises, or to take heavy equipment on to any premises, it must give at least 7 days' notice and either obtain the consent of the occupier or enter under the authority of a warrant granted by a Magistrate. You can provide your consent by signing at the end of this notice.
