Dear Mr. and Mrs. Morgan,

INTENSIVE FARMING (POULTRY) INSTALLATION INSPECTION

Your farm is due for an inspection from Natural Resources Wales. I propose conducting this inspection on **Wednesday 7th July 2021 at 10:00.**

I enclose the form that we will be using to carry out the inspection. Please ensure that you have all your paperwork ready. Please also review the "How to Comply document" for intensive farming. This is available at;

<https://naturalresources.wales/permits-and-permissions/environmental-permits/guidance-to-help-you-comply-with-your-environmental-permit/?lang=en>

I will also email these documents to you.

SUBMISSION OF BAT COMPLIANCE REPORT

Our records show that we have yet to receive your written report detailing the level of your site's compliance with the applicable BAT Conclusions. The requirement to be compliant with these standards, and to submit the written report to us is a requirement of your environmental permit. The due date for this report was the 20 March 2021. Please see the relevant extract of you permit below.
