Schedule

Reasons for Refusal

1. We are not satisfied that the Operator has demonstrated the proposals meet the necessary standards as described in BAT. In particular that the proposed secondary containment measures do not meet the necessary standards as described in BAT.
2. We are not satisfied that the Operator has adequately assessed the odour impact.
3. We are not satisfied that the Operator has demonstrated that the proposals meet the necessary standards as described in BAT. In particular that the proposed open aeration tank does not meet the necessary standards as described in BAT.
