Dear Sam

**MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING**

**LICENCE FOR SEAGRASS RESTORATION PROJECT PORTH DINLLAEN**

**LICENCE NUMBER: CML2125**

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **18 May 2021** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2125** and its conditions.

**Advisory Note**

As detailed within Condition 3.24 Submission of Reports:

*The Licence Holder must submit a report to NRW for approval by 31 December 2023 and 31 December 2025.*

NRW advises that the report should include but not restricted to the following:

- Results on seagrass health from trial seed extraction area;
- Results on seagrass health from replanted mooring scar areas; &
- Comparison of seagrass health and coverage on trial extraction area vs area replanted.

NRW advises the Licence Holder to engage with NRW Advisory during the lifetime of the works regarding the efficacy of the restoration efforts.

NRW encourages continued stakeholder engagement with the relevant networks e.g. Porthdinllaen Seagrass community group.

Marine Licence, **CML2125**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **CML2125** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers and local fishermen's organisations of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2125** is solely granted for the work to be undertaken at **Porthdinllaen**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within **28 days** of the receipt of this letter.
