Dear Mr Clarke,

## **MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING**

### **LICENCE FOR GRAB SAMPLES FOR MARINE CONSERVATION ZONE PLANNING OFF THE PEMBROKESHIRE COAST**

#### **LICENCE NUMBER: RML2136**

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **RML2136** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **RML2136** and its conditions.

#### **Advisory Note**

The Maritime and Coastguard Agency have advised that if in the opinion of the Secretary of State the assistance of a Government Department, including the broadcast of navigational warnings, is required in connection with the works or to deal with any emergency arising from the failure to mark and light the works as required by the consent or to maintain the works in good order or from the drifting or wreck of the works, the owner of the works shall be liable for any expense incurred in securing such assistance.

NRW Technical Advisors have advised that should a Multi Beam Echo Sounder be used, it is recommended that the Licence Holder follows the JNCC guidelines for minimising the risk of injury to marine mammals from geophysical surveys ([http://jncc.defra.gov.uk/pdf/jncc\\_guidelines\\_seismicsurvey\\_aug2017.pdf](http://jncc.defra.gov.uk/pdf/jncc_guidelines_seismicsurvey_aug2017.pdf)).

NRW Technical Advisors also advise that to reduce disturbance to seabirds, the Licence Holder should follow the Pembrokeshire Marine Code (<https://www.pembrokeshiremarinecode.org.uk/code-of-conduct/>) and consider the timing of the sampling.

Marine Licence, **RML2136**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **RML2136** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **5 days** prior to work starting.

Marine Licence, **RML2136** is solely granted for the work to be undertaken **off the Pembrokeshire Coast**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within **28 days** of the receipt of this letter.
