segregation and storage arrangements have been provided for either the new waste type (waste oil) to be accepted at the site, and the new SF6 Recovery System;

- Secondary Containment. There is also little information provided on secondary containment and whether the containment meets CIRIA C736 standards. Please provide details of the secondary containment arrangements (including design drawings) and confirm how potential spillages from connection taps as well as the filling and emptying of the storage tank will be mitigated.

The document referenced JRT-PVSR-2101 contains a section titled C3 Table 3a – Technical Standards. This does not consider the Waste Treatment BREF 2018 standards, and how the changes proposed to your operations satisfy the Waste Treatment BREF conclusions. Please provide a revised BAT assessment, ensuring that the relevant Waste Treatment BREF conclusions have been considered against the new activities proposed.

Please could you also confirm the what the annual throughput of the facility will be, and if this is due to increase as a result of the additional activities proposed.

In support of your application you advised at the time that a test date had been booked to complete your continued competency assessment to extend your WAMITAB. We note that the test was scheduled for April 2021. In addition to the requested information above, please could you provide a copy your new Continued Competency Certificate, confirming ongoing competency.

Please reply within 10 working days from the date of this letter. If we don't hear from you, we must return your application and fee.

If you email or write to us, please quote the application reference **PAN-013300** on any correspondence and send it to the relevant address below. When we receive the missing items, we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions, please email me at Lucinda.hall@naturalresourceswales.gov.uk.

Yours sincerely
