Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

On 16th August 2021 I carried out a routine inspection. No effluent was discharging to the watercourse at the time of my visit. No evidence of litter, fungus or odour.

I am pleased to state you were compliant with your permit conditions.

Just a note: the STW sounded quite loud, hopefully not an issue but may need checking.

Kind regards,

Sue Lenthall
