

# **Natural Resources Wales permitting decisions**

## **Variation**

We have decided to issue the variation for Byass Works operated by AWD (Group) Ltd.

The variation number is EPR/AB3895CN/V003.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements and that the permit will ensure that the appropriate level of environmental protection is provided.

## **Purpose of this document**

This decision document:

- explains how the application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

## Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application and supporting information and permit/ notice.

Aspect considered	Justification / Detail	Criteria met
		Yes
<b>Receipt of submission</b>		
Standard rules criteria met	The application meets the criteria for the standard rules identified in the application form.	✓
<b>Sustainable Management of Natural Resources (SMNR)</b>		
Considerations of SMNR - Compliance with our General Purpose	We are satisfied that this decision is compatible with our general purpose of pursuing the sustainable management of natural resources in relation to Wales and applying the principles of sustainable management of natural resources.”	✓
<b>The site</b>		
Extent of the site of the facility	<p>The operator provided a plan in their application which we considered satisfactory, showing the extent of the site of the facility and compliance with the location criteria for SR2008 No3.</p> <p>During the determination the operator provided a revised site plan and as a result the checks against the location criteria for Standard Rules Permit SR2008 No3 were undertaken again to check compliance. No issues were found.</p> <p>A plan is included in the permit and the operator is required to carry on the permitted activities within the site boundary.</p>	✓
