Photo 1

Main reservoir inlet on eastern side of reservoir, looking upstream towards the plantation.

(Sep-20)

Photo 2

Main reservoir inlet on eastern side of reservoir, looking downstream towards the reservoir.

(Sep-20)

Photo 3

A543 at northern end of Llyn Bran Reservoir with small local catchment draining to the reservoir.

(Nov-20)

Photo 4

Reservoir, looking north
viewed from western end
of dam.

(Nov-20)

Photo 5

Watercourse leading away
from reservoir spillway at
the dam.

(Nov-20)

Photo 6

Watercourse through
plantation between the
reservoir and the B4501.

(Nov-20)

Photo 7

Raised embankment with culvert crossing beneath forestry track. View looking upstream towards small culvert through embankment.

(Nov-20)

Photo 8

Culvert crossing beneath B4501. Upstream end of culvert looking downstream.

(Nov-20)

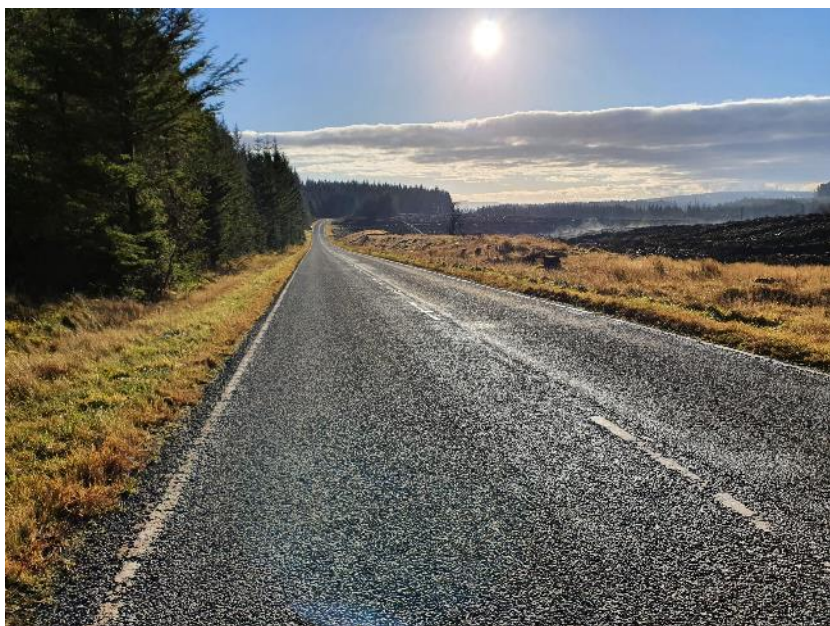

Photo 9

B4501 looking south-east at location of culvert crossing.

(Nov-20)

Photo 10

Culvert crossing beneath B4501. Downstream end of culvert.

(Nov-20)

Photo 11

Watercourse immediately downstream of B4501 culvert crossing, looking downstream.

(Nov-20)
