

Key to Symbols

- Scheme red line boundary
- Indicative location of toe of existing seawall or revetment, including buried elements (see note 2)
- Proposed reasonable worst case permanent works footprint for the Scheme

Notes

1. This drawing is intended only to be used to support the Environmental Impact Assessment for the proposed Central Rhyl Coastal Defences Scheme, and it should not be used for any other purpose. It presents the reasonable worst case footprint for the proposed Central Rhyl Coastal Defences Scheme.
2. The indicative location of the toe of the existing coastal defences (which includes elements buried below the beach) shown on this drawings has been derived from site observations, historical photos, historical records and localised trial excavations.
