Dear Sir/ Madam,

Environmental Permitting Regulations (England and Wales) 2016

Ammanford Recycling Limited, The Old Wagon Works, Shands Road, Ammanford, SA18 3QU

We believe that the company have committed the following offence(s):

Offence (1): Regulation 38(2) Environmental Permitting Regulations (England and Wales) 2016 it is an offence for a person to fail to comply with or contravene an environmental permit condition.

Date: On or before **14TH October 2021**

We have issued this **warning letter** as a response to the above offence(s) on this occasion. However, our decision could change if any further relevant information comes to light, including, but not restricted to, information that:

- The company have committed earlier offences;
- the environmental impacts of this offence is greater than we presently understand them;
- the offences are continuing or have been repeated;
- The company have committed other offences of which we are presently unaware.

We will take this offence into account if we consider that the company are involved in any future offending.

This warning does not:

- prevent any other prosecuting authority taking action against the Company; or
- affect our right to issue enforcement, clear-up or remediation notices, or seek recovery of costs or damages according to law.

Yours faithfully,

A.E. Jones

Alys Jones

In this document 'Natural Resources Wales' means the Natural Resources Body for Wales established by Article 3 of the Natural Resources Body for Wales (Establishment) Order 2012.

You should note that the Natural Resources Body for Wales has been formed by bringing together the Countryside Council for Wales, Forestry Commission Wales and Environment Agency Wales. The Natural Resources Body for Wales has been empowered to exercise Welsh devolved functions since 1st April 2013 and has, generally, taken over the responsibilities of the Countryside Council for Wales, the Forestry Commissioners and the Environment Agency in Wales.
