3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

On 7th October 2021 a routine visual inspection was carried out at your property.

The package treatment plant appeared to be working, no evidence of odour or spillage seen.

The effluent discharges via a perforated pipe into the adjacent watercourse. At the time of my inspection no discharge was entering the watercourse - no evidence of sewage litter, odour or fungus was visible.

Could you please ensure access to the discharge point (the outfall pipe) is kept clear to for the purpose of future monitoring (by yourself) or inspections by Natural Resources Wales.

If you have any queries, please do not hesitate to contact me via the email address below.
