Dear Olly,

I would hope to have the final Heads of Terms agreed and Lease signed soon which would do away with the need for a Licence but let me know if you have any issues.

Kind regards,

Emma

**Subject:** Rights of access

Dear Emma,

I am just varying the abstraction license with NRW (the point of discharge is moving 90m upstream).

You might recall from last time that NRW require some proof that the applicant has a 'right of access' to the point of abstraction (which is not changing).

I attach the standard letter exactly as agreed last time, but with the dates updated.

I would be very grateful if you could sign and return this ASAP.

Many thanks

Olly
