Dear Sirs

Authorised signatories for matters concerning environmental permissions

I understand that in respect of environmental permissions (licences, consents and permits) that NRW require application forms to be signed by relevant persons as listed at Companies House. Otherwise NRW require a letter of authorisation for other employees signed by a relevant person. The Dŵr Cymru Board of directors met on 6 September 2018 and agreed a delegation of authority from the Directors/Company Secretary to the following signatories on an ongoing basis and until further notice:

- Clare Walters - Head of WW Science & Business Improvement
- Claire Scannell – Wastewater Regulation Manager
- James Camis – Environmental Permitting Specialist
- Mathew Griffiths – Environmental Consenting Specialist

Please let me know if you have any queries in relation to this Board resolution. Otherwise, I would be grateful if you could acknowledge receipt of this letter.

Yours faithfully

Nicola Williams
General Counsel and Company Secretary
