10 December 2021

Dear Mr Davies

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR MUMBLES COASTAL PROTECTION PROJECT

LICENCE NUMBER: CML2128

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **28 May 2021** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2128** and its conditions.

Advisory Note

The Maritime Coastguard Agency have advised that the site is within port limits and the that the Licence Holder should gain the approval/agreement of the responsible local navigation authority or the Harbour Authority/Commissioners/Council. They may wish to issue, as deemed necessary, local warnings to alert those navigating in the vicinity to the presence of the works.

NRW Technical Experts have advised that the beach foreshore is monitored post construction and over the operational period, given that the beach foreshore has shown evidence of beach lowering.

Condition 3.19.2 has been included within the Licence to ensure that all possible risks in relation to the translocation of invasive non-native species (INNS) are identified and that this information is disseminated to all relevant personnel with appropriate mitigation steps where required. This should include, but is not limited to, elements such as the location and logistics of the vehicle/equipment wash down area, assessing where all site vehicles and machinery had previously been operating and whether this poses any risks to spreading INNS to the proposed development site, and assessing the source of the rock material that is to be used as part of the scheme to ensure that no INNS are potentially being spread as a result of the proposed works.

With regards to the conditions for the use of concrete included in Marine Licence **CML2128**, please see the best practice information described in GPP5 Guidance for Pollution Prevention - Works and maintenance in or near water (GPP 5, <https://www.netregs.org.uk/media/1303/gpp-5-works-and-maintenance-in-or-near-water.pdf>).

Marine Licence, **CML2128**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **CML2128** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2128** is solely granted for the work to be undertaken at **Mumbles**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Rights of appeal

You have the right of appeal to the Welsh Ministers against this decision. The Appeal must be made in accordance with the Marine Licensing (Appeals Against Licensing Decisions) (Wales) Regulations 2011.

A notice of appeal must be received by the Welsh Ministers within six months beginning with the date of the decision to which the appeal relates.

You must send written notice of appeal including the documents listed below to the Welsh Ministers at the following address:

Welsh Ministers c/o Marine Licensing Branch, Welsh Government, Cathays Park, Cardiff. CF10 3NQ.

At the same time you must send a copy of the notice of appeal to the Natural Resources Body for Wales at the following address:

Permitting Service Manager, Permitting Service(Cardiff), Natural Resources Wales, Cambria House, 29 Newport Road, Cardiff, CF24 0TP

The notice of appeal must include:

- a) the name, address (including any email address) and telephone number of the appellant and any agent acting for the appellant;
- b) a statement of the grounds of appeal;
- c) a statement as to whether the appellant wishes to have the appeal dealt with by way of written representations, a hearing or an inquiry;
- d) a copy of the decision to which the appeal relates;
- e) a copy of all documents upon which the appellant wishes to rely; and
- f) a list of all the documents, including dates (where any document is dated), specified in bullet points d and e above. :

You may withdraw an appeal by notifying the Welsh Ministers in writing and sending a copy of that notification to the NRW at the address specified above.

Please be aware that the Welsh Government has changed the Marine Licensing fees and charges in Wales. You will be charged for any post licensing work associated with your licence. If you have any queries regarding the fee changes, please email the Marine Licensing Team via marinelicensing@naturalresourceswales.gov.uk

Following the UK's departure from the EU on 31 January 2020 and the end of the transition period on 31 December 2020, the legal obligations relating to compliance with environmental permits and legislation will continue to apply. NRW will continue to issue and regulate all permits and licenses in line with our current practice. If you have any questions about your permits or licenses and/or site management, please contact our Customer Care Centre on 03000 653 000.

Yours sincerely

William Cooke
Marine Licensing Team
