Dear Mr Burke

Request for more time to determine your applications

Application references: PAN-002427, PAN-002428 and PAN-002429
Applicant: Horizon Nuclear Power Wylfa Limited
Facility: Wylfa Newydd Power Station

As regularly discussed during the course of pre-application engagement, we will need more time to determine your applications than the default statutory determination period set out within The Environmental Permitting (England and Wales) Regulations 2016 (EPR) and upon our website.

Our website is clear that;

'Applications that are complex, have a high level of public interest, or potentially impact on a sensitive location may require a longer period to determine...'

We would therefore like to agree a new determination date of 1st February 2019 with you.
