Our ref: PAN-002776

Date: 20/06/2018

Dear Mr Robert G Evans,

We need more information about your application

Application reference: PAN-002776

Operator: Mr Robert G Evans, Mrs Edith M Evans, Mr Nicholas R W Evans and Mr Charlie J Evans

Facility: Dolobran Hall Poultry Unit, Dolobran Hall, Pontrobert, Meifod, Powys, SY22 6HX

Thank you for your application received on 05/06/2018.

Unfortunately I need to ask you for some more information before we can do any more work on it. Please would you provide us with more information as detailed below:

- Please submit a revised site installation plan. The green installation boundary needs to include the three crossing points.
- On the revised site installation plan please include the location of all the equipment on site e.g. manure belts, generators, fuel tanks and emission points to air (fan type and location) for both poultry sheds.
 - Please clarify if the installation will be using gable end fans, as they weren't on the previous installation plan and there is no other mention of them in the application?
- Please submit a revised drainage plan to accurately show the installation's drainage system.
 - Please clarify the flow of clean water from the south side of the installation.
 - Please correct the drainage plan so only one symbol is used for 'manholes', the current drainage plan has three different symbols.
 - The application states that the installation will use diverter valves but there are none shown on the drainage plan. Please clarify if diverter valves are used or not, if so please include them on the drainage plan?
 - Please remove the Public footpath, Restricted byway and anything else that is not relevant to the site drainage, from the drainage plan.
 - Please clarify if the flow of dirty water is correct, as it is displayed as flowing from the eastern dirty water tank, through the poultry sheds to the western dirty water tank. If incorrect please amend as required.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee. The information requested should be sent by 04/07/2018.

A copy of this letter has been sent to your agent, Richard Corbett (Roger Parry and Partners)

If you email or write to us please quote the application reference PAN-002776 on any correspondence and send it to the relevant address below.

If you have any questions please email patrick.duffy@naturalresourceswales.gov.uk.

Yours sincerely
