Dear Sirs,

Re; Application for Bespoke Permit - NGR SJ 29922 62919

I have pleasure in Enclosing completed application for an Environmental Permit for the above property.

The form has been completed to the best of my ability and, as a 75 year old I can assure you this was no easy task.

To support this application I have enclosed the following documents;

- 1/ Copy of water bill from Hafren Dyfrdwy dated 14 December 2018
- 2/ Management System for existing septic tank
- 3/ Map showing pond, the name of which is not known

I would like to pay the registration fee by credit card but unfortunately the form CC1 was not incorporated in your website.

I would take this opportunity to inform you that we are in the process of selling our property and therefore your early attention to this application would be very much appreciated.

Yours faithfully
