Dear Mr Raasch,

We need more information about your application

Application reference: PAN-000233

Operator: T. Whittal-Williams, E. Whittal-Williams & J. Whittal-Williams

Facility: Upper Triley Farm

Thank you for the application, which was received on 19 March 2016. Unfortunately I need to ask you for some more details before I can decide whether it's duly made or not.

Please would you provide us with the following:

1. Odour modelling

Provide an odour modelling report assessing the impact of odour from the proposed varied installation on sensitive receptors in the vicinity.

The assessment needs to include / take account of the following:

- Impact of odour from normal operations, including roof fans;
- Impact of odour from site clean out operations;
- Impact of odour from bird removal operations;
- Impact of any other odour generated by the operation of the proposed facility.

Please submit the findings of the odour modelling in the form of a written report and please also supply an electronic copy of the modelling files.

Please reply within 15 working days from the date of this letter. If we don't hear from you we may return your application and fee.

If you email or write to us please quote the application reference on any correspondence and
