Myrddin

Thank you for your email.

I have spoken with the permitting team and the next step with regard to Ty Garreg landfill is to submit the final surrender report along with the surrender application form, which can be found at:

<http://naturalresourceswales.gov.uk/apply-buy-report/apply-buy-grid/waste/waste-permitting/apply-to-surrender-permit>

On this page, you will then need to fill out parts A, E and F. For a Normal tier 3 surrender.

I have also attached "How to surrender guidance document", which I think that Barney had followed as part of putting the draft surrender document together. Once the report has been either posted or emailed to the permit receipt centre, there may be additional evidence or clarification required, although I think that there is sufficient supporting monitoring and evidence in this case.

The surrender fee would need to be submitted at the same time as the surrender report. (The costing can be worked out as 127 multiplied by the OPRA score. I can email you the OPRA profile of the site if you do not have it).

I hope this helps with the next steps. Any questions or assistance drop me an email

Kind Regards

Kelly Sherratt
