

Mr John Ward  
Taliesin  
Wilmot Drive  
Oswestry  
Shropshire  
SY11 2BE

**Our ref: PAN-000779**  
**Your ref:**

**Date: 27 October 2016**

Dear Mr Ward,

### **We need more information about your application**

**Application reference:** PAN-000779

**Operator:** Mills Poultry Limited

**Facility:** Minffordd Farm

Unfortunately I need to ask you for some more details before I can decide whether it's duly made or not.

Please would you provide us with more information as detailed below:

- Please submit a site plan to scale. Please refer to our guidance that can be found on our website here: [http://naturalresources.wales/media/678707/part-b2\\_guidance\\_final.pdf](http://naturalresources.wales/media/678707/part-b2_guidance_final.pdf)
- Please can you confirm the size of each of the biomass boilers and their purpose?
- It appears that the aggregated total net thermal rated input for the proposed boilers exceeds the maximum capacity covered by the permitting position statement. Therefore please could you fully complete the risk assessment, including identifying all relevant sensitive receptors and potential impacts?

Please reply within 10 working days from the date of this letter. If we don't hear from you we may return your application.

If you email or write to us please quote the application reference on any correspondence and send it to the relevant address.

When we receive the missing items we will continue to check the details in your application. If there's enough for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.
