Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

The permit is transferred from 2 Agriculture limited to P D Hook (Breeder) limited. There is a limited change in management with the existing Environment Management System (EMS) remaining in place until P D Hook (Breeder) Limited fully develop their own EMS for use.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
