Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

This variation amends the existing conditions for financial provision set out in the original permit. The conditions incorporated as part of this notice require financial provision to be in place once activities commence at the installation.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Schedule 1 – conditions to be deleted

The following conditions are deleted as a result of the application made by the operator

- 1.3.1 The financial provision for meeting the obligations under this permit set out in the agreement made between the operator and the Agency dated 14/08/2007 shall be maintained by the operator throughout the subsistence of this permit and the operator shall produce evidence of such provision whenever required by the Agency.
- 1.3.2 The operator shall ensure that the charges it makes for the disposal of waste in the landfill cover the cost of operating the landfill, as far as possible the cost of the financial provision required by condition 1.3.1 and thus the estimated costs for the closure and aftercare of the landfill.

Schedule 2 – conditions to be amended

None

Schedule 3 – conditions to be added

The following condition has been added as a result of the application made by the operator

- 1.3.1 No activities authorised by this Permit shall be commenced unless the Operator has entered into an Agreement with Natural Resources Wales to secure financial provision for meeting the obligations under this permit and has provided the provision.
- 1.3.2 The Operator shall give prior notice to Natural Resources Wales of its intention to commence operations at the site.
- 1.3.3 The Financial Provision provided under condition 1.3.1 above shall thereafter be maintained by the Operator throughout the subsistence of the Permit and the Operator shall produce evidence of such provision whenever required by Natural Resources Wales.
- 1.3.4 The Operator shall ensure that the charges it makes for the disposal of waste in the landfill cover all of the following:
 - (a) the costs of setting up and operating the landfill;
 - (b) the costs of the financial provision required by condition 1.3.1; and
 - (c) the estimated costs for the closure and aftercare of the landfill.
