ARCHITECTURE CIVIL ENGINEERING WASTE & ENERGY PROJECT MANAGEMENT

10<sup>th</sup> August 2021

For the Attention of Wayne Grimstead  
Natural Resources Wales  
Cambria House  
29 Newport Road  
Cardiff  
CF24 0TP

Dear Wayne

**PERMIT TRANSFER WALES  
NINE MILE POINT WASTE TRANSFER FACILITY  
PERMIT – EPR/AB3695CH**

With regard to the above Permit please find enclosed a transfer application to change the operator from Hazrem Environmental Ltd to Drumcastle Limited.

We have reviewed all the documentation associated with the Permit application and we are content to operate the site in accordance with the approved, Operational Techniques and Monitoring Plan Version 2, enclosed for ease of reference.

Enclosed as part of this application are the following documents:

1. Part A Form
2. Part D2 Form
3. Part F1 Form
4. Certificate of Incorporation for Drumcastle Limited
5. Completed OPRA Spreadsheet
6. WAMITAB Certificate as proof of technical competence to operate the facility
7. Fee paid by BACS under the following reference – EPRDrumcastle0001

I trust the attached is in order and will allow you to determine the permit transfer application. However, if you have any queries please do not hesitate to contact me at [adrian.thompson@wdr-rt-taggart.com](mailto:adrian.thompson@wdr-rt-taggart.com)

or on 028 9066 2121 / 07436287071.

Yours sincerely,

A handwritten signature in dark ink that reads "Adrian Thompson". The signature is written in a cursive style with a large initial 'A'.
